Re: Connect America Fund (CAF), WC Docket Nos. 10-90 –
Notice of *Ex Parte* Presentation

Dear Ms. Dortch:

On Monday, August 5, 2013, Leonard Steinberg, Ruth Willard, and Shawna Brandau of Alaska Communications Systems (“ACS”) and I spoke via tele-conference to Amy Bender and Ryan Yates of the Commission’s Wireline Competition Bureau, concerning ACS’s intended election of CAF Phase I, Round 2 incremental support. Pursuant to paragraph 30 of the Report & Order in WC Docket No. 10-90, FCC 13-73 (released May 22, 2013),¹ ACS provided the Bureau with a confidential list of its proposed build-out locations by census block, in “csv” format, and discussed on a confidential basis the scope of its intended election of support.

Please direct any questions concerning this matter to me.

Very truly yours,

/s/

Karen Brinkmann

¹ “[W]e strongly encourage those electing funding to submit their intended elections and planned buildout locations by census block to the Bureau on a confidential basis at least 15 days in advance of the acceptance deadline.”
